3. Terms of Use of the Licensed Status Confirmation Document (“the Terms of Use”)

Reference is made to the announcement of and the procedures in place for the Licensed Status Confirmation Document.

By signing the attached Application Form, Licensee agrees to be bound by these Terms of Use in connection with the Licensed Status Confirmation Document. All information submitted electronically by Licensee to Philips by sending in the Input Form of the Licensed Status Confirmation Document (such information submitted hereinafter “the Information”) shall be subject to these Terms of Use. Should Licensee NOT agree to these Terms of Use, Licensee shall not have access to the Input Form of the Licensed Status Confirmation Document.

Licensee represents to Philips that the Information submitted by Licensee is true, complete, and accurate in every respect. If requested, Licensee shall submit to Philips as soon as available all relevant documents in connection with the shipment that is the subject of the Licensed Status Confirmation Document. Philips shall not issue a Licensed Status Confirmation Document to Licensee in the event that Licensee fails to provide Philips with said documents, or in the event that the information in such documents does not match with the Information.

Licensee acknowledges and agrees that these Terms of Use may be amended by Philips at any time. Such amended Terms of Use shall be effective upon posting on Philips’ website at www.licensing.philips.com. Philips reserves the right to make changes or updates to the Licensed Status Confirmation Document without prior notice.

Licensee shall not make any changes to the Licensed Status Confirmation Document. Licensee shall promptly notify Philips in writing of any abuse, fraud or misrepresentation in connection with the Licensed Status Confirmation Document that may come to Licensee’s attention.

Philips will grant access to the Input Form of the Licensed Status Confirmation Document on the website www.licensing.philips.com to a limited number of designated employees of Licensee, only. The passwords related to this access are strictly confidential and shall only be used on the computer for which the account was first used or such other computer as Philips may approve in writing. Licensee shall be fully responsible and liable for all activities that occur under the passwords provided to the designated of Licensee. Philips reserves the right to terminate or restrict access to the Input Form of the Licensed Status Confirmation Document for any reason whatsoever at its sole discretion.

Philips shall not disclose the Information submitted by Licensee to Philips to any third party, save that Philips may disclose such Information to its external auditors, legal representatives and to the competent courts and government agencies (including, without limitation, Customs Authorities) to the extent necessary for Philips to protect and enforce its rights under the patent license agreement between Licensee and Philips.

These Terms of Use shall be governed by and constructed in accordance with the laws of The Netherlands. Any dispute related to these Terms of Use shall be submitted to the courts of The Hague, The Netherlands, provided always that, in case Philips is the plaintiff, Philips may at its sole discretion submit any such dispute either to the competent courts in the venue of Licensee’s registered office.

Callout Boxes:

- Please select: login
- Next screen to enter E-mail address and password will appear
- If you do not yet have yet a username/ password, please select "register for access" to obtain the relevant input screen
- Please provide us the relevant information of your company as well as your contact information and the password you want to use. Note: Do not forget the provide us your Company Name
- After you have send the registration form you will receive some mails to activate your account. Note: as soon as you have the option to "Edit your profile", go to this section and tick the item request for partner access.
- Partner Access is granted to everybody in your company. However, not everybody will be allowed to enter data for LSCD documents, therefore for activating the LSCD input section permission we also need the Application Form (see section 2) above). Please send it to the license office in your region or by fax to (+31-40-2732113).

Within two working-days you will receive an e-mail confirming your registration.
If you do not receive the e-mail please notify us via the “contact us” on the website.

If your license agreement is not registered in our system or the address information supplied does not match with the data we have on file about your company we will not accept your request for partner registration. Check the My account screen. In that event please contact us for further information.

To get access to the License Confirmation section it is required that the Philips License is informed about the individuals in your company that are allowed to provide Philips with the required LSCD information on behalf of your company.
This can be done by returning the filled-in Application Form to Philips IP&S.
